## Library Acquisitions

### November 2010

This list contains information about each new publication acquired by the Library during the month. Entries are arranged in alphabetical order by Library of Congress subject heading. Each entry includes the publication's call number, author, title, edition, publishing, and series information, with links to the Library's online catalog, [ThomCat](#), for further information such as tables of contents.

To see live, up-to-the-moment location, holdings, and circulation status information from [ThomCat](#), click on the hyperlinked call number associated with each publication.

If the publication is available online, there will also be direct links to any online versions.

All publications are located in the 1<sup>st</sup> Floor Stacks unless noted otherwise.
