Stop chasing and start strategizing!

Your strategy to fight against money laundering and terrorist financing is only as good as the intelligence behind it. Gain the information you need to strategize effectively with a new online compendium from LexisNexis®!

This new online resource currently covers 47 countries and territories, and additions and updates will be made available on a quarterly basis. Comparatively analyze the strategic activities being used by these countries to combat terrorist activities.

Connect the dots and get ahead of the money trail. Order online access to this new publication today!
